

# Tahoe Donner<sup>SM</sup> General Plan "Town Hall" Meetings

This is your chance to play an active role in providing input towards the future planning of amenities and services in Tahoe Donner Association. Management and the General Plan Committee would like to invite all interested members to attend a series of Town Hall meetings which will focus on the future of Tahoe Donner Association amenities and services. Focus questions include: What are the long term needs of this amenity? What are the current limitations of this facility or amenity? We welcome your input as we move forward in completing planning documents for each amenity for consideration in the 2011 Tahoe Donner Association General Plan. If you have any questions, or are unable to attend but would like to provide written input, please email the Director of Facilities and Risk Management, Annie Rosenfeld at [arosenfeld@tahoedonner.com](mailto:arosenfeld@tahoedonner.com).
